Welcome to La Salle’s
Spring Job Fair 2013

This Job Fair provides you with an opportunity to identify career opportunities by meeting organizations offering Full-Time, Internship, Co-Op, Summer and Part-Time positions or speaking with employer contacts, some of whom are alumni, to explore career options in your major and/or minor. You will walk away with information, professional contacts, and access to job openings.

Make a Positive Impression
➢ Make eye contact and SMILE!
➢ Collect business cards from recruiters with whom you speak or those you would like to contact in the future.
➢ Ask the recruiter for advice on the best way to follow up on current or future openings.
➢ Ask recruiters for suggestions on resources available to research the employers, career field and industry.
➢ Be sure to write a prompt follow-up thank you letter or make a phone call using the contact from the business cards that you’ve collected! It helps to reiterate your interest!

What’s Available for My Major?
Remember that although employers have listed the majors they are seeking for particular positions, the representative at the table may be from the HR department and therefore may have knowledge of a variety of other opportunities at that employer. So, if you are really interested in working for a particular employer, but your major isn’t listed, talk with the representative anyway. He/she may be able to provide you with a contact who could help you get the position that you are seeking.

Ongoing Opportunities…
New job, internship, and co-op positions are constantly being posted through Career and Employment Services. You should also search eXplorenet (lasalle.experience.com) to find more positions than those available at the fair.

The Career Services staff and volunteers are available today to assist you with any special needs or individual concerns. We have nametags, so don’t hesitate to stop us and ask questions.
Differentiate yourself.

Elko & Associates differentiates itself by providing a variety of specialty services and industry segments, offering our employees the unique opportunity to develop additional expertise outside of the day to day accounting function.

Elko offers more than just traditional Accounting, Tax & Advisory Services, including:

WANTED:

1 LIEUTENANT UHURA,
1 MARK ZUCKERBERG AND
2 OR 3 STEVE WOZNIAKS.

We’re small, we’re picky, we’re demanding. We’re also award-winning, sought after, quoted, nationally recognized and a little bit highty-toighty. (Though not excessively.) We are now looking to fill positions in our IT and Web departments. We are also looking for a few good interns.

To apply, please send your credentials to HR@wwstereo.com.

Extra credit goes to those who find an interesting way to convey their enthusiasm. Of course, how you define “interesting” is entirely up to you.
