Attention Resident Assistant (RA), Community Assistant (CA) and Commuter Connector (CC) Applicants:

Your academic success at La Salle University is a priority. Before you can be considered for a position within Community Development (CD), we must ensure that you are currently able to balance your course load and co-curricular activities while maintaining a reasonable GPA. To meet that end, we confer with the Registrar's office before making any official offers to RA/CA/CC candidates. In order to receive full consideration for a Student Staff position within CD, please complete this form and return it to the CD Office, Union 303 at your earliest convenience. Please note that this gives CD permission to review your GPA throughout your employment period with CD. CD does not share this information with anyone else within the University nor is this information used in any way other than to confirm you meet the minimum GPA expectations for RA/CA/CCs. If you have any questions, do not hesitate to contact Community Development.

Dear Registrar:
I give permission to release my Grade Point Averages (GPA) to Community Development. This permission will be good for the duration of my employment within Community Development.
