# Commuter Focus

**Commuter Connector Day of Service group with members of the Lawncrest Recreation Center Community**

## **Commuters + Day Of Service= Success!**

On Monday January 21<sup>st</sup> the Commuter Connectors held their first event of the new semester and formed a commuter group for La Salle's Day of Service (part La Salle University King's Dream Initiative). The Commuter Connectors along with commuters took a bus to Lawncrest Recreation Center to help fix up the park for the morning. Split into three groups, the commuters repainted walls inside the center, cleaned leaves trash and fallen branches from around the park, and wrote letters to service members. The people of Lawncrest Recreation Center were extremely kind to offer those who helped cupcakes, chips, and drinks. Afterwards, all who helped out were invited to watch the inauguration back on campus. Thanks again to everyone who came out and participated in our commuter group and made our program a memorable one! Check out our facebook page at [facebook.com/commuterconnectors](http://facebook.com/commuterconnectors) for more pictures and upcoming events!
